Meeting Presentation

We'll go over the new ANSA Monitoring program and the SBSFC Monitoring Plans in time to tag Bass during the next club trip on the 8th and 9th of October.

General News

Old Fisheries Green Paper deadline has been extended to 14th Oct 2016, So if you still haven't had your say on issues facing your fisheries, there is still time.

Used Suntag Tags can be returned directly to;

Info-Fish Services

12 Mingoola Street

Murarrie 4172

Alternatively for the last chance return, bring them to the next meeting and hand to the Tagging Co-Ordinator.

Old Rec Recreational Fishing Guide App is available for download from Playstore or Google store. It has plenty of useful information on Rules, Species, Weather, Angler Diary and Tides plus plenty of more neat features. Good to have information available while on the water.

Upcoming Club Trips

Albert River Bass Tagging and Skills Day October 8th and 9th

This our regular tagging trip on the upper tidal section of the Albert River. Last year we camped on Willman's Island, and overnighted. If this is the case, this year, a top weekend.

Suited to Kayaks, Canoes and Small Tinnies. Bound to be an excellent social trip as well.

Fishing Skills Day and Barbeque October 9th

A day to teach each other various fishing skills? Cast netting, casting etc, Venue to be Willmann's Island. Skills Starting time for those only coming Sunday will be 10.00am.

Please bring your gear for some coaching and tuning of equipment. Hopefully we can get an area slashed closely a couple of times before the day, alternative is to go to the rockbar/shore line and practice there.

Jumpinpin Flathead Trip October 23rd

Our regular trip at the peak of the Flathead season.

Trolling and Soft Plastics reign supreme on this trip. Great opportunity to connect with a large flathead after their breeding season. Some keen to land flathead on fly this will also be a great opportunity.

LAFMA Bass Tagging November 4th -6th.

Date Claimer for a Trip to Kerry for Bass Tagging in the upper Reaches of the Albert and Logan Systems.

Glenlyon Trip November 11th to 18th

Numbers need to be finalised at the October Meeting in order to secure accommodation.

Lloyd and JC recently did a trip due a recent rise, and the Golden Perch were going off on an edge bite. Roaming correspondent Tom has advised us from the wilds of the Gulf Country after having his arms stretched by numerous Barra, that this is the best week, moon-wise for the trip.

Glenlyon is always a great trip and if you'd like to enjoy a few days out West and have the change of a lifetime to catch a fish of a lifetime this is the trip. Socially it is very entertaining as well.
