### **SHORT NEWSLETTER**

Sorry all – I've spent most of the past two weeks away from home, and I leave again Friday morning 22

October for a week, so I have not had time to do as much work as I normally do on this Newsletter.

## **NEWS FROM OTHER CLUBS**

- No time to read the few Newsletters I have received so far – hopefully those of you with email addresses will receive some snippets from me before (or after) the November meeting. Those not on email yet – think about it, guys – you are being left behind!

## **STORM KING/SEVERN RIVER TRIP REPORT**

John Cumberland will give us a report on this trip at the meeting. Sounds like they got good exercise, if not many fish. Lloyd Willmann will also have a report on a low catch week he just came back from. We'd better catch some Barra at Awoonga, or our new members will think we're a bunch of mug fishermen (a classification I personally admit to).

## **LOCAL FISHING EXPO**

Well, it looks like our planned Local Fishing Expo to recruit new members and raise some money for the club is to be held on Saturday 29 January – quite a good date, with everyone back home from holidays and doing a bit of last minute shopping before the start of the school year. Many thanks to Cynthia McGrath, Centre Manager of Beenleigh Marketplace for this excellent date. Thanks also to Tom Wallbank for donating a two day charter for two people on his Jumpinpin Charters cruiser, for which all we'll pay is his cash cost. Hope you get lots of promo value out of it, Tom.

All please try to keep that Saturday free – mark it in your diary now. We'll need all hands on deck if we are to get the most out of this promo, which could even become an annual fund raiser and recruiting activity for us if we do it well.

## **FUTURE TRIPS:**

**DECEMBER 5th & 6th CRESSBROOK DAM** – This trip will have to be replaced, due to the lack of water in Lake Cressbrook.
